DEPARTMENT OF ENERGY

ORDER

The 13th April 2015

No. 3396—ENG-RR-GRIDCO-0003/2014-En.,—Whereas, Baitarani Power Project Private Ltd. (BPPPL), a company registered under the Companies Act, 1956 having its registered office at #133, Prachi Enclave, Chandrasekharapur, Bhubaneswar-751 016 have signed Memorandum of Understanding (MoU) with the Government of Odisha dated the 11th July 2005 for establishment of 24 MW Small Hydro Electric Power Station at Anandpur Taluq, Dargarsila and Badajori Village in the District of Keonjhar, Odisha;

And whereas, as per the stipulations contained in the said MoU, BPPPL is to supply power to the State of Odisha.

A nominated Agency or Agencies authorised by Government will have the right to purchase 12% free power sent out from the Hydro Electric Power Station;

And whereas, Odisha Power Transmission Corporation Limited (OPTCL) has given permission to BPPPL for construction of 132Kv line subject to stipulations contained in Section 68 of the Electricity Act, 2003;

And whereas, BPPPL has proposed to construct the 132Kv. D.C. Transmission line for evacuation of power from its Generating Station;

And whereas, for evacuation of power, the BPPPL has agreed to get connected at appropriate voltage and designated located as may be suggested by the OPTCL as its own (BPPPL) cost;

Now, therefore, in exercise of the powers conferred by Section 68 of the Electricity Act, 2003 (Act No. 36 of 2003), the State Government do hereby confer upon BPPPL, the supplier of Electricity, subject to the following stipulations :—

- (1) The provision of Grid Code and Grid Standard for operation and maintenance of Transmission line as per provision of Electricity Act, 2003 and provision of Works of Licensee Rules, 2006 notified by the Government of India, Ministry of Power published in extraordinary issue of the *India Gazette*, Part-II, Section 3 (i) GSR No. 217(E), dated the 18th April 2006.

- (2) The direction of the concerned State Load Despatch Centre (SLDC) regarding operation of the dedicated line and operation of the line shall be as per the norms of system operation of the line shall be as per the norms of system operation of the SLDC.
- (3) The construction of the project shall be completed within three years, unless the term is extended by the Government of Odisha.
- (4) Government of Odisha may withdraw the approval before the expiry of the period of three years by giving one month notice, when felt necessary :

Provided that BPPPL shall cause such transmission scheme, which among other things shall contain the estimates of capital expenditure involved, salient features thereof and the benefit that may accrue therefrom to be published in the Official Gazette of the State and in such local News Papers as the BPPPL may consider necessary along with a notice of date not being two months after the date of such publication before which other persons interested may make representations on such scheme and the same is duly considered by BPPPL.

By order of the Governor

S. C. MAHAPATRA

Principal Secretary to Government
